Power of Attorney for porting of phone number and service termination

I would like to change my telecom service provider and keep my current phone number. With this Power of Attorney, I authorise the provider named above to carry out the necessary steps with my current provider to:

- Port the above-listed phone number from my current provider.

Porting Date

- ☐ I would like to port my number at the regular termination date allowed by the contract.
(Cancellation costs CHF 0) (Recommended)
- ☐ I would like to port my number as soon as possible or at a requested date. Therefore, I am aware that additional costs may apply from the current provider, due to the early termination of the contract.
Important: Early termination costs can go up to CHF 1,000 (or even higher).
Requested date : _____
(if left empty, the number will be ported at the earliest possible date)

The exact porting date and time will be communicated by the new provider. The services of my current provider will end at that date.

Place/Date

Name/Signature (legal owner of the phone number from the current provider)

Name/ Signature of legal representative (in case of minors) or
collective signature in case of business customers
